Rafael, please update the attached sheet, as appropriate.
Katrina, I heard we need a similar write-up for Eagle Industries and Wilcox.
We need these by COB, tomorrow.
Thanks.

As discussed.

From: Levine, Carolyn

Good morning,

We learned yesterday that Administrator Wheeler will likely be testifying before the Senate Environment and Public Works Committee on August 1 regarding his priorities.

OCIR is working on putting together a briefing binder for him and the senior leadership team. As a first step, we are reviewing the Spring fact sheets that were prepared for the April/May budget hearings, see attached re: Tar Creek. Can you please coordinate regional review/update, and also add any new issues/site fact sheets that region 6 believes should be included for the Committee senators.

Please provide updated/new fact sheets to me by **1pm Tuesday, July 24**. I will share any R6 fact sheets with HQ OLEM as well for review.

Please let me know any questions.

Thanks!

Carolyn
